We believe that every community benefits from participation by its members. Just as we require community service hours for our older students, we expect every Lake Tahoe School family to volunteer a minimum of 20 volunteer hours each year. Your children benefit by seeing you in action and take pride in your involvement. As a School, we count on it! The more you become involved in your children’s educational environment, the more you understand the true assets of our comprehensive program – and the more fun you have. Volunteer hours can be acquired through a variety of activities, including classroom assistance and supporting the programs sponsored by the Lake Tahoe School Administration and/or Parent Association. We function on an honor system, and it is up to you to volunteer accordingly. We thank you in advance for your support!

Based on your life experience and skill set, what would be the best use of your time and abilities when volunteering for Lake Tahoe School?
