Lake Tahoe School's enduring legacy as we embark on the  
next stage of our Lake Tahoe School Capital Campaign.*

THROUGH YOUR SUPPORT OF LAKE TAHOE SCHOOL,

## You Build the Legacy, You Enrich the Community.

Forward-thinking communities are defined by exceptional educational institutions, and Lake Tahoe School (the School) has elevated the standards of education in the Tahoe area and beyond **since 1997**. Set to begin its 22nd academic year, the School is the **longest-serving, independent school** - and the only nationally accredited school - in the Tahoe area.

The mission to nurture a life-long love of learning with the purpose of developing critical thinkers and articulate, confident leaders, **requires investment** to fund capital reserves, robust programming, stellar academic leadership and a diverse student body.

With your commitment, the School will continue to be the leader in innovative, **life-changing education** for students Pre-K age 3 through 8th grades.
